Read: - Letter No. B2/25557/2009/DME dated 18.11.2009 from the Director of Medical Education, Thiruvananthapuram.

ORDER

As per letter read above, the Director of Medical Education has requested Government to issue orders for the disbursement of stipend to the post graduate Residents in Government Medical Colleges through ATM. Government have examined the matter in detail. It is seen that at present there is delay in disbursing stipend to the Post Graduate Residents in some Medical / Dental Colleges due to some administrative obstacles. If stipend is given through ATM it will be more convenient to students. It will reduce the work load in Government Medical / Dental Colleges.

In the circumstances Government are pleased to order that the Principals of Government Medical / Dental Colleges will open a separate account in State Bank of Travancore for the purpose of disbursing stipend of Post Graduate Residents through ATM. The Bills for the stipend will be submitted in the Treasury as usual and on getting the Bill passed from the Treasury, the total stipend will be credited in the above said Account in State bank of Travancore along with the statement of details of individual accounts to which the amount is to be credited. The Bank authorities will credit the corresponding amount to the account of the respective individuals. The unclaimed stipend if any should be deposited back to treasury as per Rules.
