ORDER

As per Clause 9 of the Postgraduate Medical Education Regulations, 2000 of Medical Council India, in non-Governmental institutions fifty percent of the total seats shall be filled by the competent authority and the remaining fifty per cent by the management of the institution on the basis of merit. Hence 50% seats of the Self Financing Colleges (Medical and Dental) have to be surrendered to Government merit quota candidates.

As per the Government Order read as 1st paper above, Government have specified the Methodology for allotment/admission to the Government merit seats in Self Financing Medical/Dental Institutions in the State. As per the letter read above, the Director of Medical Education has requested Government to issue measures for streamlining admission to Post Graduate Medical/Dental seats in Self Financing Institutions. Government have examined the whole matter in detail and are pleased to issue following measures as suggested by the Director of Medical Education.

The extension of cut-off date allowed by the Hon'ble Supreme Court for Medical PG Admission in the State is also applicable for the Self Financing colleges. Hence the Self Financing College managements are directed to cancel all the admissions already done by them to the 50% Government merit seats in Post

Graduate Courses. The Director of Medical Education will conduct fresh allotment to these seats immediately on the basis of distribution of seats prepared by Director of Medical Education based on the stipulations specified as per the Government Order read above. (Distribution chart appended). The admission to Post Graduate seats for 2011 will be subject to the decisions in the Writ Petitions pending before the Hon'ble High Court.
